YUBA★BLUE

MURALS ARE BACK ON MILL ST

As the Chairperson of the Grass Valley Downtown Association, I get to be part of planning many fun events. Organizing the temporary mural installation is one of my favorites! The Original Yuba Blue Girl, Sarah Lazard painted the one in front of Yuba Blue. There are 5 others on Mill Street. There will be an artists meet and greet as part of the larger Local 4 Locals celebrating art in our community on September 21st.
